

September 2024

In just under 3 weeks, we will be leading a team with GraceWorks church, from Washington State, to work with Erick Sanchez and his family in **Honduras**. The team will be working on a Christian camp/retreat center as well as presenting a children's program. Looking forward to a rewarding trip for all.

We are still in conversation with **4 churches** about putting teams together for mission trips. Possibilities include Guatemala, El Salvador, Ukraine, Ethiopia, Tanzania, and more. We would like to add to that list, if the Lord wills. Please contact us if you are interested in serving (either joining a forming team or forming an additional team with your church)

We are also very excited to let you know that Rick has been invited to participate in Missions Door's African Missionaries' Conference in Addis Ababa, **Ethiopia**, in February 2025. This will be a great opportunity to meet our Missions

Door African Missionaries, and to begin to build relationships with the purpose of bringing teams to serve alongside them in Africa. Great opportunities await us, but we need your help. With no teams on this trip to help with the finances, your added support will be much needed and appreciated. If you would like to help with you prayers and finances, please let us know. You can send your donations to Missions Door, along with a note that the funds are to be deposited into account 61183X, for use for the African Conference.

We would love to come to your church and give and update and/or introduce ourselves and our ministry, including upcoming mission trip opportunities. Please contact us if you're interested.

PS

Our Financial Dept. has determined that we are at a monthly shortfall of **\$1,423.85** (down slightly for the third month in a row, thanks to God, and you ☐) to be considered at 100% of our Support Schedule. Would you consider helping us to continue to reduce this shortfall by *increasing* your support by \$10 a month? Or *beginning* to support our ministry at \$10 per month? If only 30% of those who receive this Newsletter increase or begin their support in this way, it would exceed our goal and enable us to do even more on the Lord's (and your) behalf? If so, please contact us.

Thank you for your prayers and support.
