

Merry Christmas!

There's something about expecting a child (Baby Brake #3 is due end of March!) that adds wonder to the Christmas story in new ways. What amazing love that the Creator of all would become a tiny helpless infant to become our salvation. In all the joy (and stress and hustle!) of this Christmas season, we pray that you might know His precious love. We're so glad you're a part of our lives!

May the Joy of Christ be with you in this season!
