God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another.

(1 Peter 4:10)

---

We feel incredibly blessed and spoiled to have had a group from our home church, Hope Fellowship, join us recently. It was a smaller group this year, mostly full of "seasoned" individuals (don't let them know I said that!), but they outworked all of us! It was truly encouraging to see everyone jump in with such enthusiasm and make a real impact.

A lot was accomplished in our offices, but even more encouraging were the three days of ministry we were able to carry out. Pearl and Boykie, whom we had the privilege of ministering with, were deeply moved and so thankful for the work done in Christ's name. Please continue to pray that God will bring fruit from the connections made during their time here.

Looking ahead, we're excited about our Open House launch event coming up on April 11th. We can't wait to share a video of the event with you soon after! Please pray with us that God will provide foster families to care for the precious children here in SA.

As always, we want to express our deepest gratitude for your ongoing support. We truly couldn't do this without you. Thank you for hearing God's call and partnering with us to further the Gospel in South Africa through caring for orphaned and vulnerable children.

James 1:27

ABOVE: It might look like there is a lot of confusion in these photos, but every one worked hard and turned the ugly garage into a beautiful store room!

ABOVE: Our first official meeting in the informal settlement of Princess was a great success! We hosted a Braai, and around 15-20 community members attended to learn more about Lukiwe. Please join us in prayer, asking that this outreach bears fruit and leads to lives being saved and transformed.

Above: We are so thankful for how much was accomplished in a week. Curtains hung, Doors painted, and a lot of office furniture put together!

Below: In the informal settlement, Kya Sands, the men put in a much needed privacy fence for the children, and the women had a blast teaching and playing games with the children!

## **Praises**

1. For an amazing missions trip with Hope Fellowship.
2. For the significant funding that God provided for the many projects accomplished on this trip.
3. For the provision of one year's expenses for Lukiwe!
4. For great ministry contacts in Princess and Kya Sands.
5. For a part time personal assistant for Dan.
6. For ongoing safety as we continue to serve in South Africa.

## **Prayer Requests**

1. Please pray for souls to be saved in Princess and Kya Sands as a result of our outreaches.
2. Please pray for an intern/volunteer to assist Amy with homeschooling so she can focus more on ministry.
3. Please pray for our Open House event at our offices on April 11th.
4. Please pray that God will raise up families willing to foster abandoned and vulnerable children.
